AHEA China

AAFCS is pleased to offer for sale the once official AHEA China especially crafted at the now defunct Syracuse China. The New York Affiliate presented the china to AHEA in the early fifties during the opening of the first Washington, DC- based headquarters of the organization. Syracuse China with the same pattern was crafted in green and ivory with gold logo and trim and sold across the country by the NY Affiliate in 1954 to raise funds for the first headquarters. The china currently available is burgundy and ivory with gold logo and trim.

There are limited numbers of the five-piece place settings and individual pieces available and they cannot be re-commissioned for production. The china is being sold on a first-come, first-served basis.

The total proceeds from the AHEA china sales will go to the AAFCS Centennial Campaign.

C. Sue Miles, AAFCS volunteer, former board member of the NY Affiliate, and past president of the WV Affiliate has the china at her home office in WV.
